# NATURAL Dark Muscovado

UNREFINED CANE SUGAR

The finest dark brown soft sugar

3kg e

This is genuine unrefined Dark Muscovado sugar. Every cane has been taken to lock in rather than refine out, the natural moasses of the sugar cane.

Billington's sugars have a rich intense flavour, aroma and colour.

Dark Muscovado is perfect for fruit cakes, marmalades, sensory sauces and chutneys. Use whenever the recipe asks for dark brown soft sugars.
